The Last Hero Craig Gaydas

For decades a police officer has not stepped foot inside the gang-controlled Crystal City, but then someone decided to fight back. Brady Simmonelli, businessman and entrepreneur, convinced the remaining city government to create the Hero Factory.

By converting qualified Applicants into Heroes, the Hero Factory was able to create men and women with augmented powers and abilities; heroes who were able to overpower the gangs and return control of the city to the government. The heroes kept the city safe until, one by one, they were assassinated. Bryan Whittaker, codename Soulfire, finds himself in a life or death battle with ominous forces as well as his own haunted past, as he struggles to prevent himself from becoming the last hero.

The Last Hero is a thrilling superhero adventure from Craig Gaydas, author of The Cartographer series.
