Falling down is a part of life, but it doesn't have to be a way of life. Talon Marie Jones, a thirty-year-old successful, professional woman, thought she found the love of her life in Haslem Arrington. But what she was left with was a broken heart and a damaged sense of self-respect. When Haslem abruptly leaves to marry another woman, Talon is left searching for someone-or something-to fill the void left behind. In her journey, she commits herself to celibacy, a decision immediately and consistently threatened by new and old acquaintances. Caught in the drama of her love life, Talon begins to lose focus on her journey, forgetting what she is truly seeking. Will Talon remember her promise and hold true to her convictions, even in the face of temptation? Will her newfound sense of purpose carry her through the hard times, allowing her the strength to help her friends through numerous crises?
