## **Mi torre y mi sangre (Spanish Edition)** Miguel de Cervera

Hubo un tiempo en que Europa se parecía más al Congo en guerra, o a los barrios más peligrosos de Latinoamérica, que al continente rico y seguro que hoy todos conocemos. En aquel tiempo la vida estaba regida por una casta de hombres de hierro, valientes e indómitos, que no admitían por encima ni al mismísimo rey. Un tiempo olvidado en que el Diablo tomaba forma entre los hombres, con su herencia de engaños y trampas, y les conducía a resolver sus litigios mediante la espada, ¡no había lugar para juzgados! Un tiempo en que hombres sin miedo mandaban la tierra y rivalizaban, en cada valle o lugar, por ser quien más valiera entre sus paisanos. Sus blasfemos lemas desafiaban incluso al Altísimo. Aquél a quien en cambio veneraban con pasión, cuando nunca se sometían del todo. ¡Eran sus propios jueces! Por increíble que parezca este relato se basa en hechos reales, con nombres y lugares reales extraídos sobre todo de Las Bienandanzas y Fortunas. Pienso que se ha escrito mucho sobre la Castilla profunda en el Bajo Medievo, sobre Andalucía o el Levante tan variopintos, tan cosmopolitas, y en cambio faltaban un cuento sobre el lluvioso y austero Norte. La cabecera de Castilla que eran las provincias montañesa y vizcaína, aunque alejadas de la acción principal de la Reconquista e incluso de las principales rutas del comercio, no carece de interés en este período. Antes bien fue la patria de incontables hombres y mujeres de valor que están reflejados aquí, en humilde homenaje, todos basados en caracteres y gestos de su época.
