BOOK #1: Potty Training: Stress-free Methods for Fun and Easy Potty practice. Potty Train Your Child in 3 days

Having a hard time getting your child out of his or hers diapers? Then this book might be just for you! You may be a pregnant mother, a parent of a newborn baby, a father trying to get his child out of his diapers; in any case, you need to get your kid on that pot, some way or another. Containing helpful tips, common problems, tricks and more, this book will definitely help you achieve perfect results.

Suited perfectly for new parents who didn't know where exactly to begin the process, it will clarify those rumors and myths going around, which you just can't understand. Even if you are an experienced parent, having already an older child, potty training is a wicked job for some, but it doesn't have to be. With the help of this book, you will forget how to change your kid's diaper in no time, the answer to your questions on helping him grow up is right at your finger.

Here is what you will learn after reading this book:

- When to start with your kid potty training
- Methods for quick and easy adaptation to the pot
- Potting and using the toilet in public places
- Using the potty at night

BOOK #2: Potty Training: Tremendous No-Stress System for Early Pottyng. The Best Approach to Diapers Free Toilet Habits

This eBook was written to help you find the less stressful simple ways to toilet training that have worked for others. As it is a hard time for everyone having a few guidelines that you can follow can possibly help to make the process a lot easier for you and your child.

Here is what you will learn after reading this book:

- Is your Child showing signs they are ready?
- Popular methods of toilet training
- Do boys or girls take longer to toilet train?
- What parents can do
- Potty training a child with autism
