Gunny was an anti-social loner who had joined Dirk's pack after his father died. Getting through college and surviving pretty much as a **lone wolf**, sharing his space was hard for him.

The woman never wore a bra, didn't care if she made him uncomfortable and delighted in pestering him and making sexual jokes to get under his skin.

**The sexual tension and chemistry between them is absolutely explosive**, but will Gunny be able to let go of his lone wolf status to **embrace his mate** or will she leave after she does the job she came to do?"
