Teachers enter her life at just the time she needs them most.They reveal to her a realm beyond the veil separating our physical third-dimensional world and the world of ghosts and goblins. More accurately, the lessons are about the world of entities living in higher dimensions willing to help solve any problem-if only you know how to ask. Would Sylvia learn how to ask in time? Watch for the thrilling surprise end. And what other paranormal battles can these new psychic skills prepare her to win?
