The Lion Comic Book Hero Bible Jeff Anderson

A stunning new comic book version of the Bible, now given the superhero treatment by the team behind *The Lion Graphic Bible* and *The Manga Bible*

The story of the Bible is a unique tale of origins and cosmic powers; of the ageless battle between good and evil; of human potential and human treachery; and of a Messiah—a savior for the world. This is indeed the stuff that graphic novels are made of. Superheroes are the biggest comic genre of all, with many heroes having their origins in biblical characterization and imagery. This is the first Bible retelling to engage with the superhero genre. *The Lion Comic Book Bible* is a dynamic expression of the Bible's depth and power, produced in the style of Marvel Comics. You've heard of Spiderman, Superman, and Wonder Woman. Now meet Earthman, Lawman, Warrior Man, and many others. With dynamic illustration using a range of styles, Siku (Old Testament) and Jeff Anderson (New Testament) bring the Bible stories alive for a new and graphically sophisticated generation.
