Book description:

We fear the unknown...but sometimes, ignorance is bliss!

Meet Colt Unsworth. A man of few words, but many fears. Fears that keep him wide awake at night.

These particular fears have followed him around since childhood. A traumatic incident when he was seven haunts him to this day. But he can't make out what the memory is. All he can see are shadows.

For too long he has been consumed by fear. It's affected his life negatively, to the point he anticipates certain death.

But Colt isn't dead yet. He decides it's time to get free from the bondage of fear. To live his life to the max. To enjoy every second like it's his last.

What Colt doesn't realize is that he's in danger. His new carefree attitude has put the blinders on. He can't see what's coming for him anymore. And it's just as well. Because what's about to happen to him is far from liberating.

It's everybody's worst nightmare.

Wide Awake is a gripping tale of suspense and mystery. Follow Colt on his journey to freedom from his fears. But how much of him will be lost on the way?

A new thrilling read from Kindle Best-Seller Luis Samways.
