Don't Tell Mum I Work on the Rigs: She Thinks I'm a Piano Player in a Whorehouse Paul Carter

A "take no prisoners" approach to life has seen Paul Carter heading to some of the world's most remote, wild and dangerous places as a contractor in the oil business. Amazingly, he's survived (so far) to tell these stories from the edge of civilisation, and reason. Taking postings in some of the world's wildest and most remote regions, not to mention some of the roughest oil rigs on the planet, Paul has worked, gotten into trouble and been given serious talkings to in locations as far-flung as the North Sea, Middle East, Borneo, and Tunisia, as exotic as Sumatera, Vietnam and Thailand, and as flat out dangerous as Columbia, Nigeria, and Russia, with some of the maddest, baddest and strangest people you could ever hope not to meet.
