Do you like organic cosmetics? If you do, this guide is right for you! You will learn how to make amazing natural lotions

Most people these days use some kind of lotion, be it for dry skin, wrinkles, or sun protection. However many of the store bought kind contain chemicals, carcinogens, and other nasties. As we are exposed to more and more chemicals our bodies suffer for it, with allergies, cancers, and other maladies. The great thing is that you don't have to suffer at all. Like many things lotion can easily be made at home with your own ingredients and scents.

Here we will show you not only how to make your own lotions but also give you an idea about what essential oils and scents can do in your life and a few tips on selling your products if you want to make some extra money. Many essential oils are suggested for the treatment of skin conditions but they are not all created equal. There is also a difference between oil and essential oil which we will explore when looking at your necessary ingredients. There are those that swear by using body oil over lotion but here we will see why you can have the best of both worlds when making your own products.

Making your own lotion is a fun and creative past time that can easily turn into gift giving or a small business.

Here we will get you information on:

- Lotion or oil
- Essential oils
- Preparation
- Lotion Recipes
- Selling your products
