## Just Enough Liebling: Classic Work by the Legendary New Yorker Writer A. J. Liebling

Abbott Joseph Liebling was one of the greatest of all *New Yorker* writers, a colorful figure who helped set the magazine's urbane tone and style. *Just Enough Liebling* gathers in one volume the vividest and most enjoyable of his pieces. Charles McGrath (in *The New York Times Book Review*) praised it as "a judicious sampling—a useful window on Liebling's vast body of writing and a reminder, to those lucky enough to have read him the first time around, of why he was so beloved." Today Liebling is best known as a celebrant of the "sweet science" of boxing, and as a "feeder" who ravishes the reader with his descriptions of food and wine. But as David Remnick observes in his fond and insightful introduction, Liebling is "boundlessly curious, a listener, a boulevardier, a man of appetites and sympathy"—and a writer who, with his great friend and colleague Joseph Mitchell, deftly traversed the boundaries between reporting and storytelling, between news and art.
