Some wars don't end, some scars don't heal and some bonds can't be broken. Former U.S. Army Ranger Medic, Leo Jenkins, picks up where he left off with his best selling book, "Lest We Forget" to explore the tribulations associated with attempting to reintegrate back into society after years at war. In what is being considered one of the most significant introspectives on veteran transition issues ever written, Jenkins lays it all on the line one more time with "On Assimilation, A Ranger's Return From War."
