Pack of Dorks Beth Vrabel

Lucy knows that kissing Tom Lemmings behind the ball shed will make her a legend. But she doesn't count on that quick clap of lips propelling her from coolest to lamest fourth grader overnight. Suddenly Lucy finds herself trapped in Dorkdom, where a diamond ring turns your finger green, where the boy you kiss hates you three days later, where your best friend laughs as you cry, where parents seem to stop liking you, and where baby sisters are born different.

Now Lucy has a choice: she can be like her former best friend, Becky, who would do anything to claim her seat at the cool table in the cafeteria, or Lucy can pull up a chair among the solo eaters—a.k.a. the dorks. Still unsure, Lucy partners with super quiet Sam Righter on a research project about wolves. Lucy connects her own school hierarchy with what she learns about animal pack life—where some wolves pin down weaker ones just because they can, and others risk everything to fight their given place in the pack. Soon Lucy finds her third option: creating a pack of her own, even if it is simply a pack of dorks.

Weaving tough issues, including bullying, loyalty, and disability, with a thread of snarky humor, family bonds, and fresh perspective, *Pack of Dorks* paints characters coming-of-age and coming-to-terms. This new paperback edition includes a Q&A with the author as well as a sample chapter of Beth Vrabel's upcoming middle grade novel, *A Blind Guide to Stinkville*.
