## **INVASION** Eric L Harry

A powerful portrait of modern-day politics gone wild. U.S. Republican President Bill Baker is thrown a curveball when China puts its plan of world dominance into action. After invading Asian, European and finally Caribbean territory, it's obvious that four thousand miles of ocean is not enough to keep North America safe from China. The siege begins, and Baker retaliates by declaring war on China. As if this staggering situation weren't enough, Harry juxtaposes this scenario with the personal implications raised by the presence of the president's patriotic teenage daughter, Stephe Roberts, in the U.S. Army. Problems arise when Stephe's mother (the president's ex-wife) insists that her daughter be removed from danger--though not before Stephe's relationship with young Chinese army Lieutenant Wu surfaces...
