Light Years Away (Mated to the Captain Book 1) Christine Wright
Maybe it was fate.

To get off of the space station Del desperately needed a job on board a spaceship. He wasn't looking for love and he certainly wasn't wanting the attention of a grumpy alien Captain who disciplined wayward crewmembers or threw them out of airlocks. Del never expected to be the Captain's new mate.

In this gay sci-fi follow the misadventures of a young human on board a Xolian space cruiser where being the Captain's mate just might prove to be more difficult than being his First Officer.

This M/M sci-fi contains scenes of domestic discipline between consenting adults.
