Lullaby (Book of Dreams 1) Bridgette O'Hare

Halle Michaels is on the brink of insanity.

She's haunted by dreams. Dreams that find their way into her reality. Nightmares of death...of destruction. Visions that will uncover the truth – about her abilities, her family's origins, and her part in a prophecy that could change the world.

But when a mysterious book shows up on her doorstep, can those dreams save her from an overwhelming evil? One that has its sights set on Halle.

She wanted normal, but normal is overrated. She was born to be so much more.
