When 15-year-old Porsha Swint overhears an argument between her parents, she learns some very painful news. The man she thought was her dad is only a substitute for her real father--Dion McNeil, a well known national sportscaster. Even Porsha's BFFs, Tara Chance and Danielle Davis, can't seem to console her. Porsha, once a straight-A student, begins slacking off in school.

Her parents realize their secrets have been revealed, and set out on a quest to make things right. In the meantime, the media has a field day with this information, since Dion McNeil was married to another woman during the time Porsha was conceived. Porsha meets her half-sister Jasmine McNeil, and tension between the two equates to World War III. Will things ever be the same for Porsha now that her world has been turned upside down?
