Now she has the perfect team and has led them into the deepest reaches of the Sumatran jungle. At the edge of the discovery of the century, she's finally about to prove to everyone how wrong they were. But when the seven intrepid explorers pass through the doors, they're barely prepared for the conflict of lust versus logic they're faced with on the inside. And beasts that beautiful only awaken to one thing: the unbridled release of humans in the throes of ecstasy.
