Vintage 1966 retired library hardcover book, has more wear than average, well broken in , very cool dj, book is clean and nice with plastic cover over illustrated dustjacket, which is NOT price-clipped. Has all the former library marks but is in good shape for a used library book. While collectors often like the usually higher quality materials of old library books like this (libraries used to get books when they were new), readers know ex-libs are the best for reading, with heavy duty binding and the plastic cover that allows fingerprints, spills or even reading outdoors or in your favorite one-person office! We appreciate your business and welcome any questions.
