To Live, To Think, To Hope - Inspirational Quotes by Helen Keller Helen Keller

One of the most enigmatic figures in history, Helen went from being locked in a prison of darkness and silence, to one of the most well-respected philosophers and beacons of change in the modern world. Now, with this book, one can experience Helen's most inspirational & life changing thoughts. Covering the entirety of her life, "To Live, To Think, To Hope" compiles over 700 quotes by Helen Keller on topics such as optimism, friendship, nature, religion, life, death & many more. The quotes come from Helen's various writings (many of which are out-of-print), all of which are sourced. This book also contains a selection of Helen's poetry, as well as photographs of Helen. More than a quote book, each topic begins with a short introduction, which, when read in full, produces a narrative of Helen's life. Thus, the book can either be read from cover to cover as a story, or when a little inspiration is needed, the book can be picked up and read from any spot. Makes a great gift for those in need of inspiration.
