As a scholar exactly feel bored to reading. If their teacher requested them to go to the library or make summary for some e-book, they are complained. Just minor students that has reading's soul or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that looking at is not important, boring in addition to can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country.
