The Flash Vol. 7 (The New 52) Robert Venditti, Van Jensen
The Flash's life is about to be completely upended!

A future version of Barry Allen has managed to seal a rupture in the Speed Force, but there are unforeseen consequences to his actions. While Future Flash remains in the present day, his bewildered counterpart is pulled through the rift, becoming trapped in the Speed Force itself!

Assuming the life he had already lived, future-Barry sets out to fix the mistakes he made the first time around. Experiencing those failures has twisted him into a Flash that's far more violent—and deadly! This Future Flash is guided by a warped view of justice—one that would see those who take a life repaid in kind.

Collects THE FLASH #36-40 and SECRET ORIGINS #7.

Aaron Tolleson:

Is it an individual who having spare time then spend it whole day simply by watching television programs or just lying on the bed? Do you need something totally new? This The Flash Vol. 7 (The New 52) can be the answer, oh how comes? It's a book you know. You are so out of date, spending your time by reading in this new era is common not a nerd activity. So what these publications have than the others?

Helen Albertson:

As a student exactly feel bored to be able to reading. If their teacher questioned them to go to the library or make summary for some book, they are complained. Just very little students that has reading's heart or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading through is not important, boring in addition to can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this The Flash Vol. 7 (The New 52) can make you experience more interested to read.
