Robert Hughes

Roma: Una historia cultural (Spanish Edition) Robert Hughes

Robert Hughes, uno de los mejores críticos contemporáneos del arte y de la cultura, nos guía por el pasado y el presente de Roma, desde sus orígenes etruscos y su misteriosa fundación hasta la ciudad de los años sesenta del siglo pasado: la Roma de Fellini y de la “dolce vita”. Profundo conocedor de su historia, su arte y su cultura, nos conduce en un recorrido fascinante por cerca de tres mil años de esplendor y decadencia de la que ha sido, en muchos sentidos, la capital del mundo, y evoca las grandes figuras de su pasado, desde César a Mussolini. Hughes nos habla de política, de religión y de arte, relacionándolos entre sí: las vidas de los artistas –Miguel Ángel, Caravaggio, Piranesi, Chirico...- nos ayudan a entender sus obras y a situarlas en su tiempo, en un relato en que también los grandes monumentos, como el Foro de Augusto o la Basílica de San Pedro, asumen el papel de otros tantos personajes. Este es un libro espléndido, que aúna sabiamente conocimiento y pasión.
