The Wolfe Kathryn Le Veque

1231 A.D. - After a nasty skirmish along the England/Scotland border at Bog Wood, a badly wounded knight has crawled off to die. As women from the Clan Scott fan out across the battlefield to collect the spoils of war, one woman breaks off from the pack. She is sickened by the tradition of stealing valuables off the dead and runs off to hide. In her hiding place, however, lingers the badly wounded knight. The young woman is frightened at first but her natural instinct to lend aid takes over. She tends the knight and saves his life. Little does the Lady Jordan Scott know that she has just saved the life of the dreaded English knight known to her people as The Wolf.... Several months later, peace is proposed along the border. An English groom is offered to a Scots bride. The Lady Jordan Scott is that bride and her groom is the aged and powerful Earl of Teviot, John de Longley. When Lord de Longley sends his mighty and hated army to collect his new bride, the captain of the army personally retrieves Lady Jordan. When Jordan looks upon the fearsome English knight, she realizes there is something oddly familiar about his voice. When the man finally reveals himself, she sees that it is none other than the man whose life she saved. Sir William de Wolfe, the scourge of the Scots, makes his presence known. William has never forgotten about his Scots angel. One look at the Lady Jordan after all of these months and he is stricken with appreciation and adoration. He has thought of nothing else but the lady since the time she tended his injury and now, his infatuation with her takes flight. As he escorts her back to Northwood Castle to wed his liege, each passing minute sees him fall more and more hopelessly in love with her. Jordan comes to know the man beyond The Wolf of legend, and so the love story begins.... Join William and Jordan in a tale of true and utter devotion, of a love that bleeds beyond the boundaries of Scots and English, and where loyalty, friendship, and family bind them all together in this uncertain and political world. These are the dark days of dark times, but in the midst of a treacherous world of secrets and hatred, William and Jordan share a love that is only dreamt of. Come and be a part of the journey of The Wolf and his lady that transcends time.
