A Guide to HIPAA Security and the Law

A Guide to HIPAA Security and the Law

This publication discusses the HIPAA Security Rule's role in the broader context of HIPAA and its other regulations, and provides useful guidance for implementing HIPAA security. At the heart of this publication is a detailed section-by-section analysis of each security topic covered in the Security Rule. This publication also covers the risks of non-compliance by describing the applicable enforcement mechanisms that apply and the prospects for litigation relating to HIPAA security.
