Unorthodox, slightly messy modern-day fairy tale, that's My Pink Champagne Life. It comes complete with handsome prince, suburban castle overflowing with laundry, and moat created by a kid who forgot to turn off the bathroom sink. Oh, and a carriage full of chicken nuggets and all the french fries you can eat, if you're brave enough to venture under the seats. My Pink Champagne Life isn't perfect, it's real-life. It's made from weaving all the good, hard, wonderful, unexpected, downright painful, and glorious moments together to make a tapestry fit for a Queen.
