Minimalist living spaces that bring together and reflect the natural elements of earth, fire, water and air; these are rooms that have their roots in the Far East, using a range of features to reflect a style that is unique to this part of the world.

Using a range of naturally sourced materials, from highly polished dark woods, smooth stone, bamboo and rough textured papers the layout of these rooms is uncomplicated yet extremely stylish and quietly elegant.

All of the designs are thoughtful, simple pottery, beautifully woven silk, floral design and intricate artwork are all used to reflect a sense of belonging within a creative and artistic culture that respects shape and form, which has its own identity.
