Fight an unfair ticket in any state!

We've all received one -- a traffic ticket that seems completely unfair, the result of an officer's evening quota rather than a serious moving violation. But do you have to pay the penalty and watch your driving record crash and burn?

Not if you choose to fight back! With *Nolo's Beat Your Ticket*, you'll get the lowdown on the best strategies for beating traffic tickets in court. In plain English, you'll learn how to:

- use the law to fight an unwarranted ticket
- analyze the case and decide whether to fight or fold
- find out what the police officer plans to say at your trial
- find legal assistance and get the most out of it
- prepare witness testimony
- attack radar and other detection methods
- pick a jury
- present your case
- cross-examine the ticketing officer

Whether you want to contest a common speeding citation, a right-of-way violation, or a non-DUI alcohol-related offense, *Beat Your Ticket* clearly lays out your options. This edition is extensively updated to reflect your state's current traffic laws, including the latest rules, statistics, and court procedures.
