Legal Writing

Lisa Webley

Legal Writing Lisa Webley

Legal Writing guides students comprehensively through this vital legal skill and addresses a range of assessment methods, from exam questions to final essays and problem answers. It considers how to deconstruct essay and problem questions and how to conduct and apply legal research to answer set questions.

Lisa Webley explains how to reference others' work clearly and correctly, making this book a useful tool for students concerned about issues of plagiarism. It also focuses on how to develop and communicate legal arguments, with both good and bad examples of written work considered and discussed in the text.

Legal Writing is particularly useful for undergraduate students, especially at the beginning of degree studies, and to GDL and CPE students too.

This fully revised third edition includes:

- More guidance on reading, including speed reading techniques, and on note-taking skills
- A wholly revised chapter on referencing to employ the OSCOLA style, which has become the default style of most UK law schools in recent years
- More worked examples throughout the text, and additional examples from across the legal curriculum on the companion website

An improved companion website with increased guidance for revision, FAQs and more multiple choice questions allow students to test their progress and further engage with the topics in the book.

From reader reviews:

Whitney Mallard:

Nowadays reading books become more than want or need but also get a life style. This reading addiction give you lot of advantages. The advantages you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The data you get based on what kind of publication you read, if you want get more knowledge just go with schooling books but if you want feel happy read one along with theme for entertaining such as comic or novel. The particular Legal Writing is kind of reserve which is giving the reader capricious experience.

Charles Bock:

Do you have something that you enjoy such as book? The reserve lovers usually prefer to select book like comic, small story and the biggest you are novel. Now, why not hoping Legal Writing that give your fun preference will be satisfied by simply reading this book. Reading habit all over the world can be said as the way for people to know world much better then how they react to the world. It can't be said constantly that reading routine only for the geeky person but for all of you who wants to always be success person. So , for every you who want to start studying as your good habit, you can pick Legal Writing become your own personal starter.

Bruce Jackson:

Your reading 6th sense will not betray an individual, why because this Legal Writing reserve written by well-known writer who really knows well how to make book that can be understand by anyone who read the book. Written within good manner for you, leaking every ideas and publishing skill only for eliminate your own hunger then you still uncertainty Legal Writing as good book but not only by the cover but also by the content. This is one book that can break don't judge book by its handle, so do you still needing an additional sixth sense to pick this!?! Oh come on your looking at sixth sense already said so why you have to listening to an additional sixth sense.

Steven Holloway:

Do you like reading a publication? Confuse to looking for your favorite book? Or your book was rare? Why so many problem for the book? But virtually any people feel that they enjoy to get reading. Some people likes reading, not only science book but in addition novel and Legal Writing as well as others sources were given information for you. After you know how the fantastic a book, you feel desire to read more and more. Science e-book was created for teacher as well as students especially. Those ebooks are helping them to increase their knowledge. In additional case, beside science e-book, any other book likes Legal Writing to make your spare time far more colorful. Many types of book like here.
