Quilting Techniques for Beginners and Dummies: Revealing the Quilting Mysteries on How To Quilt with a Step by Step Image Guide Nora Davis

Have you always wanted to learn the craft of quilting but didn't know where or how to get started? Or are you beginner who is looking to get to the next level?

Are you ready to take the reins into your own hands? Then look no further.

A limited amount of copies are available at a reduced price. To benefit from this exclusive offer try to download now.

Quilting Techniques for Beginners and Dummies provides you with a pictographic guide to learn the basic ability to make your own quilt from scratch, and end up with a finished item that you can be proud of. Inside you will find basic terms demystified, basic techniques explained, certain steps demonstrated and a complete list of the tools and materials you will need. You will be given options to choose from all along the way as to how much you want to do by hand, how much you can do by machine, and how you can combine the two methods not only to save time, but also to finish with a product good enough that it could even be sold.

Our lives are like quilts - bits and pieces, joy and sorrow, stitched with love. - Author Unknown -

Only a dummy would pass up such an awesome offer for a treasure trove of information, tailor made for the quilter-to-be just starting out on this new adventure. Just seeing the pictures in this book from my local quilting supply store will get you so excited to get started on your first, but definitely not your last, quilting endeavour.

The main problem facing people today is time. We don't seem to have enough of it. This often stops us from beginning new projects, learning new skills. The solution to this is at your fingertips; we show you a range of basic stitches used in quilting and offer time-saving practical hints on how to indulge in this age-old craft by taking much needed shortcuts without sacrificing the art of the craft.
