Picking up where book two, *Running Toward Trouble*, ends Danielle Ryan and Emma Gray are trying to find some normalcy in their lives. They have returned to the bookstore, albeit with two new employees who report back to Dani's godfather, mob-boss Frankie Zitti, and are charged with keeping Dani and Emma safe and out of trouble.

Good things never seem to last though, for Emma's father, Patrick Sampson, proves that he's not done with them yet. He has done his research and approaches Dani directly, demanding more money than ever and threatening both her and his daughter. Dani's reaction has everyone, including herself, wondering if she's making the right choice. Going after Sampson alone is not the best plan, but it's the only one that Dani is willing to risk. Through her search and planning however, she stumbles into much more of her own family history than she ever thought possible.

This family secret is bigger than she can handle alone, and although she tries to deal with it with her godparents, she is unwilling to share it with Emma. Emma may be the only person who can truly help her, but the secret is so dark and so big, telling it to Emma risks losing her forever. Struggling, Dani continues to act up and test Emma's love, pushing all boundaries and risking the possibility that she'll never be able to sit down comfortably again, but will it be enough? Are some secrets too scary to share, or in the end does the truth always prevail?
