Antoinette's world has fallen apart: her husband, the man she has loved for as long as she can remember, has died tragically in an accident. He was her rock, the man she turned to for love and support, the man she knew better than she knew herself. Or at least so she thought...For as she arrives at the familiar old stone church for George's funeral, she sees a woman she has never met before. And in that instant, the day she thought would close a door on the past becomes the day that everything she has ever known is turned upside down. Phaedra loved George too, and she could not bear to stay away from his funeral. She only recently came to know him, but their bond was stronger than any she has ever felt before. As she sits before his wife, she knows that what she is about to reveal will change all their lives forever. Sometimes it takes a tragedy to reveal the truth. But what if the truth is harder to bear than the tragedy...? This book is published in the US under the title *The Girl From Paris*
