## **Battle Come Down** Charlie Flowers

Britain, five minutes into the future. War comes to Tottenham as the Syrian conflict washes back onto our shores, and anarchists of every description bring heavy weaponry onto the streets, arming the local gangs. But they haven't met Riz and the Blackeyes. A terror is about to be unleashed on the gangs that they will have never imagined and they are completely unprepared for. A terror from our own side. . . As the crisis escalates and violence and atrocity devastate North London, Sergeant Farzana Shaheen and her covert army unit will be tested to breaking point. But can they end the conflict without becoming war criminals themselves? Battle Come Down is a searing portrayal of future war, from the high-tech networked command centres to the cockpit of an attack helicopter, and right down to the soldier on the ground.
