Some believe there is no such thing as coincidence... But there is.

Four months of peace and tranquility have gone by since the last attempt on their lives, leaving Maya and Matt increasingly confident their enemies are truly part of the past, their biggest worry, deciding their next destination as they travel Europe with three year old Hannah.

Vacationing in Paris with her long-distance partner, Dominique, Canadian operative, Leslie Robb is thrilled to receive a call from friend and colleague, Chris Barry, inviting the two women to join him and his wife at a lavish rented villa in Nice.

On the Deep Web, a covert meeting takes place, twelve of the world's most efficient assassins, brought together to eliminate Maya and Matt, once and for all.

As the dozen killers begin their quest to locate their targets, a chance encounter takes place in Nice, turning the quasi-guaranteed biggest payday of their careers into their biggest nightmare.
