Almost every human interaction is characterized by having a sales element to a greater or lesser degree. If you're selling an idea or a product, interviewing for a job or even asking someone out on a date, the sooner you accept the fact that you're selling, the better. The 5 Keys To Hypnotic Selling is designed to easily, quickly and naturally give you an edge in everything you do. Get the person of your dreams, the job you want, or the promotion you've always craved. The 5 Keys are things you do naturally but not consistently. So sometimes we really "hit it off" with someone and it's like speaking to an old friend and other times we just don't know why we're not connecting. Using the 5 Keys takes the randomness out of this process and when used properly, will give you an edge over the competition.
