The Armies of the Night: History as a Novel, the Novel as History

Norman Mailer

The Armies of the Night: History as a Novel, the Novel as History Norman Mailer

One of the first examples of "new journalism" daringly combines reportage with a novelistic style and garnered Mailer his first Pulitzer Prize and a National Book Award.

Armies of the Night centers on the March on the Pentagon, the most famous anti-Vietnam War rally in Washington DC, and the characters that occupy this opposition—the intellectuals, students, African Americans, liberals, and marching women. Mailer, a novelist-as-character, sculpts this impressionably fragile world of the Left versus Authority and Peace versus War, prodding at the Vietnam generation's deepest anxieties.

In the same way Truman Capote's *In Cold Blood* introduced the "non-fiction novel," *Armies of the Night* renders this form, with turns historical and fictional.
