Science, History, Literature reunited. Eyewitness testimony and the real scientific method. Read ancient manuscripts, search the world, and discover truth instead of buying into preconceptions. When did time begin? Who are the Sons of God? Did ancient Establishments of Religion construct cultural controls and make man a god? Rediscover the Worldwide Flood and the truth about the Ice Age. It's tough, but you need this exhaustive worldwide study of evidence, investigation, and exalting the Scriptures as the ultimate authority. There was one eyewitness to the beginning of the universe. It might surprise you to know how much of His truth has been preserved, and how many struggle today to put that truth in the hands of teachers and students.
