American Alpine Journal 2015: The World's Most Significant Climbs Dougald Macdonald

The annual American Alpine Journal (AAJ) is the world's most comprehensive and respected source for information about major climbs and expeditions. This edition features an in-depth Recon section on Cloud Peak in Wyoming--covering the history, recent climbing activity, and new-route potential of this little-known alpine gem. Inside, there are dozens of new climbing destinations around the world and more big, full-color photos and maps than ever before.
