History of the Rain: A Novel Niall Williams

We are our stories. We tell them to stay alive or keep alive those who only live now in the telling. That's how it seems to me, being alive for a little while, the teller and the told.

So says Ruthie Swain. The bedridden daughter of a dead poet, home from college after a collapse (Something Amiss, the doctors say), she is trying to find her father through stories?and through generations of family history in County Clare (the Swains have the written stories, from salmon-fishing journals to poems, and the maternal MacCarrolls have the oral) and through her own writing (with its Superabundance of Style). Ruthie turns also to the books her father left behind, his library transposed to her bedroom and stacked on the floor, which she pledges to work her way through while she's still living.

In her attic room, with the rain rushing down the windows, Ruthie writes Ireland, with its weather, its rivers, its lilts, and its lows. The stories she uncovers and recounts bring back to life multiple generations buried in this soil?and they might just bring her back into the world again, too.

From reader reviews:

Gilbert Johnson:

Book is to be different for each grade. Book for children until adult are different content. As you may know that book is very important normally. The book History of the Rain: A Novel seemed to be making you to know about other knowledge and of course you can take more information. It doesn't matter what advantages for you. The reserve History of the Rain: A Novel is not only giving you considerably more new information but also to become your friend when you really feel bored. You can spend your own personal spend time to read your guide. Try to make relationship together with the book History of the Rain: A Novel. You never sense lose out for everything in the event you read some books.

Calvin Baker:

Typically the book History of the Rain: A Novel has a lot of knowledge on it. So when you read this book you can get a lot of advantage. The book was compiled by the very famous author. Mcdougal makes some research before write this book. This particular book very easy to read you can obtain the point easily after scanning this book.

Robert Henderson:

Do you have something that that suits you such as book? The book lovers usually prefer to opt for book like comic, small story and the biggest an example may be novel. Now, why not hoping History of the Rain: A Novel that give your fun preference will be satisfied simply by reading this book. Reading addiction all over the world can be said as the means for people to know world much better then how they react in the direction of the world. It can't be said constantly that reading practice only for the geeky man but for all of you who wants to possibly be success person. So , for every you who want to start studying as your good habit, you are able to pick History of the Rain: A Novel become your personal starter.

Arthur Freeman:

As a college student exactly feel bored for you to reading. If their teacher requested them to go to the library in order to make summary for some e-book, they are complained. Just tiny students that has reading's soul or real their interest. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that reading is not important, boring and can't see colorful pics on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this History of the Rain: A Novel can make you truly feel more interested to read.
