La guerra del fin del mundo (Spanish Edition)

Mario Vargas Llosa

La guerra del fin del mundo (Spanish Edition) Mario Vargas Llosa

Un relato exhaustivamente documentado sobre la Guerra de Canudos que reproduce prodigiosamente las mentalidades profundas, las pasiones irracionales y las desbocadas fuerzas sociales del Brasil de finales del siglo XIX.

«Esta novela me hizo vivir una de las aventuras literarias más ricas y exaltantes.»

Mario Vargas Llosa

A finales del siglo XIX, en las tierras paupérrimas del noreste del Brasil, el chispazo de las arengas del Consejero, personaje mesiánico y enigmático, prenderá la insurrección de los desheredados. En circunstancias extremas como aquellas, la consecución de la dignidad vital solo podrá venir de la exaltación religiosa -el convencimiento fanático de la elección divina de los marginados del mundo- y del quebranto radical de las reglas que rigen el mundo de los poderosos.

Así, grupos de miserables acudirán a la llamada de la revolución de Canudos, la ciudad donde se asentará esta comunidad de personajes que difícilmente desaparecerán de la imaginación del lector: el Beatito, el León de Natuba, María Quadrado... Frente a todos ellos, una trama político-militar se articula para detener con toda su fuerza el movimiento que amenaza con expandirse.

La guerra del fin del mundo, primera novela que Mario Vargas Llosa situó fuera del Perú, es un relato exhaustivamente documentado, tanto a través de lecturas como de viajes sobre el terreno en el que tuvo lugar este acontecimiento histórico. Un libro fundamental en la historia literaria del siglo XX.
