Why do love relationships fail? A more appropriate question is why do many succeed? Finding answers to both questions is analogous to defining infinity - impossible because the unknowns are infinite - and this author will not go there. However, two aspects of lasting love loom extremely important, namely, the origin of love - that indefinable spark of attraction that unites people - and the admirable quality of ingenuity that is required for relationships to survive. Love In Reverse and Scarred For Life are fictional attempts to highlight those aspects of lasting love.
