Classical Mythology: Images and Insights

Stephen L. Harris, Gloria Platzner

Classical Mythology: Images and Insights Stephen L. Harris, Gloria Platzner

Classical Mythology: Images and Insights approaches the study of myths through complete works of Greco-Roman literature, including six complete Greek dramas and generous excerpts from the narratives of Homer, Hesiod, Virgil, and Ovid, and through carefully chosen examples of classical works of art, both painting and sculpture. Combining literary masterpieces with the visual arts, this integrative approach offers readers a comprehensive experience with both cognitive and aesthetic appeal.
