Hunting Elf Dave Donelson

Meet Elf, a champion-bred Silky Terrier puppy who lives a dog's life with hapless Dan McCoy and his capable wife, June in the leafy suburbs in Westchester County north of New York City. These innocent dog owners learn that nefarious show dog breeders will stop at nothing--murder included--to get their hands on the little pup's valuable genes. While Dan and June try to civilize the rascal pup, the evildoers do their bloody best to dog-nap him. The story begins at Christmas and ends a year later, so it makes for a fun holiday read. It's a comedic canine adventure!
