SOME PLACES YOU NEVER FORGET...

For Amanda Stockenberg, that place was Smugglers' Inn. The seaside inn had been a refuge for Amanda when she was sixteen, a place to find solace, to find herself...and to find love. She can't think of the inn now without remembering Dane Cutter. The then nineteen-year-old illegitimate son of the cook had taught her about love. She'd been ready to give up everything to be with him. But at the end of the summer he, it seemed, was not.

Now, ten years later, Amanda once again finds herself staying at Smugglers' Inn, this time for a corporate retreat. The event is her last chance to prove herself to her bosses, so she doesn't need any complications...like finding Dane Cutter still working at the inn. And still as dangerous to her equilibrium as ever. Because suddenly, Amanda isn't sure what she wants—the window office or the window room of a seaside inn. She has one week. Seven days to choose between achieving all her dreams...or reuniting with the man she never stopped loving.
