His duty, her dreams, undone by their desire...

In the male-dominated oil industry, executive Olivia McInnes plays a careful game - she's cold, uncompromising, and ambitious as hell. Once she seals the deal to drill in the clear waters of Saqat, she'll finally prove herself worthy to take the reins of her father's oil company. Her only obstacle is marine biologist - and Saqat's royal heir - Sheikh Khaled Ibn Saqat al Mayim, who's determined to protect both his people and his country from environmental devastation...

It's not long before Olivia's icy cool exterior is shattered by the intelligent and wickedly hot sheikh, and business is surpassed by sweet, stolen pleasures. But outside the bedroom, there's reality to be faced. Soon Khaled must return to his obligations - and his betrothed - in Saqat.

Caught between duty and ambition, can an oil tycoon and a sexy sheikh find room for love... or will this business deal spell disaster for them both?
