La mesa del rey Salomón (Los buscadores 1) (Spanish Edition) Luis Montero Manglano

La Mesa del rey Salomón es el primer volumen de la ambiciosa trilogía «Los Buscadores», un sorprendente *thriller* histórico plagado de enigmas, intriga y acción.

Vive la aventura. Emprende la búsqueda. Únete a #Los Buscadores.

Tirso Alfaro está terminando el doctorado en Historia del Arte en Canterbury, Inglaterra. Huérfano de padre desde pequeño y con una madre ausente que se preocupa más por su reputada carrera de arqueóloga que por su propio hijo, su vida transcurre con bastante apatía, hasta que una noche se ve envuelto en el robo de una antigua patena. Cuando regresa a Madrid, recibe una misteriosa oferta de trabajo y entra en el proceso de selección más extraño que ha vivido, sin sospechar que está siendo puesto a prueba por una organización secreta.

A partir de ese momento, Tirso formará parte de una trepidante carrera por apropiarse de la mítica Mesa del rey Salomón, de la que se dice que traerá desgracias a todo aquel que la posea. Pero ninguna leyenda antigua podrá compararse con la espiral de peligro, traición y muerte en la que se convertirá su vida cuando entre en contacto con el misterioso grupo de Los Buscadores, un heterogéneo equipo de aventureros que trabaja de incógnito y que tiene su sede en el Museo Arqueológico Nacional de Madrid. Lo que Tirso no sospecha es que la búsqueda de la valiosa reliquia lo pondrá sobre la pista de la verdad sobre el pasado oculto de su familia y su propia identidad.

¿Qué importa el tesoro cuando la aventura, el riesgo y la verdadera recompensa están en la misma búsqueda?

La crítica ha dicho...

«*La mesa del rey Salomón* nos propone una aventura trepidante, llena de enigmas y acción, con revelaciones históricas sobre el expolio de las obras de arte de nuestro país, narrada con un ritmo frenético, un estilo fresco, ágil y una trama muy entretenida. En resumen, un gran comienzo para una trilogía que puede convertirse en todo un referente en el género del *thriller* histórico.»
