Los ángeles de hielo (Spanish Edition) Toni Hill

Una ambiciosa intriga psicológica de tintes góticos ambientada en la pujante Barcelona de principios del siglo XX.

«En esta historia penetraremos en los más oscuros recovecos del alma humana, en las atrocidades que pueden cometer los seres atormentados por la venganza y el odio.

»Tanto los vivos como los muertos.»

Barcelona, 1916. A sus veintisiete años, Frederic Mayol ha dejado atrás una vida cómoda en la esplendorosa Viena y la traumática participación en una guerra que sigue asolando Europa. Psiquiatra y seguidor de las teorías psicoanalíticas, se enfrenta a su futuro puesto en un sanatorio ubicado en un tranquilo pueblo pesquero cercano a Barcelona, un enclave perfecto para superar los horrores vividos en el frente.

Pero la clínica y sus alrededores no resultan ser tan idílicos como pensaba. Las sombras de un siniestro pasado se ciernen sobre los ángeles que decoran la fachada del edificio, como si quisieran revivir los acontecimientos que sucedieron en la casa siete años atrás, cuando el lugar era un prestigioso internado para jovencitas de buena familia que cerró sus puertas después de un trágico incendio.

Atrapado entre el anhelo de desvelar el misterio que se esconde entre los muros del caserón y el amor que siente por Blanca, una de las antiguas alumnas del colegio, Frederic deberá enfrentarse a una perversa historia de obsesiones y venganzas hasta llegar a una revelación tan sorprendente como desoladora.

Porque la verdad, aunque necesaria, no siempre supone una liberación; a veces incluso puede convertirse en una nueva condena.

Toni Hill vuelve a demostrar su gran pulso narrativo y su habilidad para la creación de atmósferas en este fascinante *best seller* literario, poblado de personajes inolvidables y envuelto en un aliento inquietante.

Reseñas:

«La dosis exacta de misterio bien administrado, capaz de convertir incluso al lector más exigente en un auténtico adicto.»

Qué Leer

«Atmosférico... Los personajes son intrigantes y complejos, y el autor va deshaciendo hábilmente la madeja guardándonos una sorpresa final.»
