The Other War: Winning and Losing in Afghanistan Amb Neumann

As the bloodshed in Iraq intensified in 2005, Afghanistan quickly faded from the nation's front pages to become the "other war," supposedly going well and largely ignored. In fact, the insurgency in Afghanistan was about to break out with renewed force, the drug problem was worsening, and international coordination was losing focus. That July, Ronald Neumann arrived in Kabul from Baghdad as the U.S. ambassador, bringing the experience of a career diplomat whose professional lifetime had been spent in the greater Middle East, beginning thirty-eight years earlier in the same country in which it ended—Afghanistan.

Neumann's account of how the war in Afghanistan unfolded over the next two years is rich with heretofore unexamined details of operations, tensions, and policy decisions. He demonstrates why the United States was slow to recognize the challenge it faced and why it failed to make the requisite commitment of economic, military, and civilian resources. His account provides a new understanding of the problems of alliance warfare in conducting simultaneous nation building and counterinsurgency. Honest in recounting failures as well as successes, the book is must reading as much for students of international affairs who want to understand the reality of diplomatic policymaking and implementation in the field as for those who want to understand the nation's complex "other war."

From reader reviews:

Edward Christensen:

What do you consider book? It is just for students since they're still students or that for all people in the world, what best subject for that? Only you can be answered for that concern above. Every person has distinct personality and hobby for every single other. Don't be pressured someone or something that they don't wish do that. You must know how great along with important the book The Other War: Winning and Losing in Afghanistan. All type of book can you see on many solutions. You can look for the internet options or other social media.

Alonzo Stark:

In this 21st centuries, people become competitive in most way. By being competitive now, people have do something to make these people survives, being in the middle of often the crowded place and notice through surrounding. One thing that oftentimes many people have underestimated it for a while is reading. Sure, by reading a guide your ability to survive improve then having chance to endure than other is high. For yourself who want to start reading a new book, we give you that The Other War: Winning and Losing in Afghanistan book as basic and daily reading e-book. Why, because this book is usually more than just a book.

Mary Crouch:

Reading can called mind hangout, why? Because when you are reading a book particularly book entitled The Other War: Winning and Losing in Afghanistan your mind will drift away trough every dimension, wandering in each aspect that maybe not known for but surely will end up your mind friends. Imaging just about every word written in a reserve then become one form conclusion and explanation this maybe you never get ahead of. The The Other War: Winning and Losing in Afghanistan giving you an additional experience more than blown away your head but also giving you useful information for your better life in this particular era. So now let us demonstrate the relaxing pattern at this point is your body and mind will be pleased when you are finished reading it, like winning an activity. Do you want to try this extraordinary paying spare time activity?

Jennifer Buster:

As a university student exactly feel bored to reading. If their teacher asked them to go to the library or make summary for some reserve, they are complained. Just tiny students that has reading's heart or real their passion. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that reading is not important, boring in addition to can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this The Other War: Winning and Losing in Afghanistan can make you truly feel more interested to read.
